

Dear Taste Restaurant,

Thank you for returning and partnering with us to bring Western New York the 31st annual Taste of Buffalo presented by TOPS, July 12th and July 13th, 2014. We're busy making preparations for another successful Taste and need your help to complete some paperwork.

The enclosed paperwork requires your immediate attention. Please read through the contents carefully, complete each Application/Form (*please print legibly*) and sign where required. Your Restaurant Committee Representative will contact you to schedule a time to pick up your paperwork and answer any questions you may have. ALL five completed Applications/Forms will be collected by your Restaurant Committee Rep with an in person visit by Saturday, March 15th. Your Rep will call to schedule a day and time that is convenient for you.

Enclosed are five (5) Applications/Forms to complete and give to your Restaurant Committee Rep when they visit. Please keep a copy of each for your file.

1. Menu Item Selection Form
2. Erie County Department of Health Permit Application
3. Logistics Form
4. Restaurant Promotion Participation Form
5. Independent Health Foundation's Healthy Options Information

There are two (2) additional enclosures that require your attention, but do not need to be returned:
