CHAIR'S message

Welcome to the 34th annual Taste of Buffalo presented by TOPS! We invite you to experience the nation's largest two-day food festival with nearly 450,000 of your friends and fellow foodies. This year, we worked with Operation Homefront and WNY Heroes to plan some very special activities honoring United States Veterans. We are so grateful for their sacrifices, as well as those currently serving in our military.

But of course – we're all here for the food, and there is something for everyone! When it comes to culinary excellence and food diversity, WNY restaurants are stealing the show. You'll find 59 of those fantastic restaurants and food trucks here at the Taste, as well as 5 NYS wineries and hometown brews and beverages. Did you know that each restaurant serves a "Healthy Option", with fewer calories, less sodium and fat, and a smaller "Taste" portion of their signature menu item so you can try more food at a variety of restaurants without filling up too fast?

In between bites there's so much to do! Enjoy live music, tunes from a DJ, or try karaoke in one of our five beer tents! We are excited to welcome Emmy award-winning television host, Lidia Bastianich, presented by TOPS Markets, to our Culinary Stage. Don't miss her cooking demonstration and stick around to meet her after the show! The Taste of Fun KidZone, located in the center of Niagara Square, is a place where kids can participate in hands-on activities and enjoy samples of special treats.

I would like to extend my deepest appreciation for my fellow volunteer board members, our many committee volunteers, and each restaurant for showcasing the best food that WNY has to offer. We also owe Connie Wendling, our amazing event coordinator, a huge debt of gratitude for her hard work. Thank you to Mayor Brown and the City of Buffalo for their

ongoing support, and a great big thank you to TOPS Markets, our presenting sponsor.

A sincere thanks as well to the many charitable organizations that organize teams of volunteers and help to make our event possible including Beechwood Continuing Care, Hospice Buffalo, the Shea's Spotlight Committee, and United Methodist Church of Orchard Park to name just a few.

Most importantly, I'd like to thank my wife Sharie and my employer, Premium Mortgage, for their support and patience as we worked all year long to bring you this amazing event. Last but not least, a big hug and kiss goes out to my grandchildren Jacob and Megan.

Thank you for supporting the Taste of Buffalo presented by TOPS!

MIKAYLA CLAUS

I am currently a senior at Grand Island High School and a culinary student at the Kenton Career and Technical Center. I will attend SUNY Cobleskill in the fall to earn a degree in Culinary Arts. I currently work part-time as a busser at the Grapevine Restaurant. I plan to become a chef when I graduate from college. I want to make people understand that healthy food can taste amazing.

RYAN DUNBAR

I will graduate from Alexander High School in June 2017. While in high school I attended the Genesee Valley BOCES during my junior and senior years. I worked with two very talented, passionate and experienced chefs, who strengthened my desire to enter into the culinary arts path in college. I will be attending Alfred State College in the fall to earn an Associate's degree in Culinary and Baking/Pastry Arts, and then plan to continue on to earn my Bachelor's degree in Restaurant Management. I look forward to learning about the many facets of the food industry and working through the various jobs within this field. I would love to move to a big city, work in the food industry for a few years and someday own my own restaurant. I have an extreme passion for cooking, and preparing amazing and unique food for my friends and family brings me great satisfaction.

YONTIA EATON

I am currently a senior at Emerson School of Hospitality in Buffalo. I work at a food retailer in the bakery. My plans after graduation are to attend Niagara County Community College where I will study Culinary Arts. My dream is to become an executive chef one day.

STEPHANIE SAUNDERS

In June, I will be graduating from Orchard Park High School with my Advanced Regents Diploma with Honors and Mastery in Science. In August I will begin my studies at the Culinary Institute of America in Hyde Park, New York where I plan to complete my Bachelor's Degree in Culinary Science. Currently I work at the YMCA After School Program at Ellicott Elementary, at Elm Street Bakery, and at Babcia's Pierogi. Following my graduation, I plan to explore the culinary scenes of the world, specifically France. As a chef, I will use my creative mindset to deliver a unique dining experience in my own restaurant by combining my knowledge from the Culinary Institute of America with my passion for food and art.

TIANA WOODS

I am a senior at Emerson School of Hospitality in Buffalo where I currently serve on the Student Council, Buffalo Public Schools' Wellness Committee, Yearbook Club and Garden Club. I enjoy service opportunities and contributing to others. In addition to service activities with Girl Scouts I am also hardworking, creative and compassionate about others. I currently work at a food retailer. I will be attending Buffalo State College in the fall where I will major in Hospitality. I hope to obtain a position in the Hospitality field upon graduating from college.
