Phone: (716) 965-4800
Website: www.merrittestatewinery.com

Merritt Estate Winery is a family owned and operated winery that was established in 1976 by William T. Merritt. Merritt Winery was the number 4 farm winery signed into legislation under the farm winery act in 1976 by Governor Carey. A fun fact about us is that in 1984 Wine Slush was invented by Christi Merritt at the New York State Fair when our then popular Sangria Wine Cooler was first frozen and wine slush was born!

Pechette is a sweet effervescent peach infused white wine that tastes like a Peach Mimosa or Bellini!
